

The South Windsor Swim & Tennis Club annual Men's Doubles Tournament is scheduled for Saturday, July 30.

The format of the tournament will remain the same as in the past. Players enter as individuals, not teams. Players will be randomly assigned partners for 4 initial 8 game sets (different partners for each set). The results of these sets will determine the pairings for the 3 elimination rounds, and bragging rights as club champions. As always, this is meant to be a social event, as well as a tennis event. Players of all abilities are welcome. Play will start by 8:45 in the morning so players should be at the courts by 8:30. Food will be provided, including juice and donuts for breakfast, and grinders for lunch. Beverages (beer, juice, soda, water, and beer) will also be provided. Cost is only \$15 per player. This has been a very enjoyable event in the past, and will give you the opportunity to meet and play with other players at the club. **Please** respond (marlowe_paul@hotmail.com) if you have an interest in playing so that we know how much food to buy. Thank You. Paul
